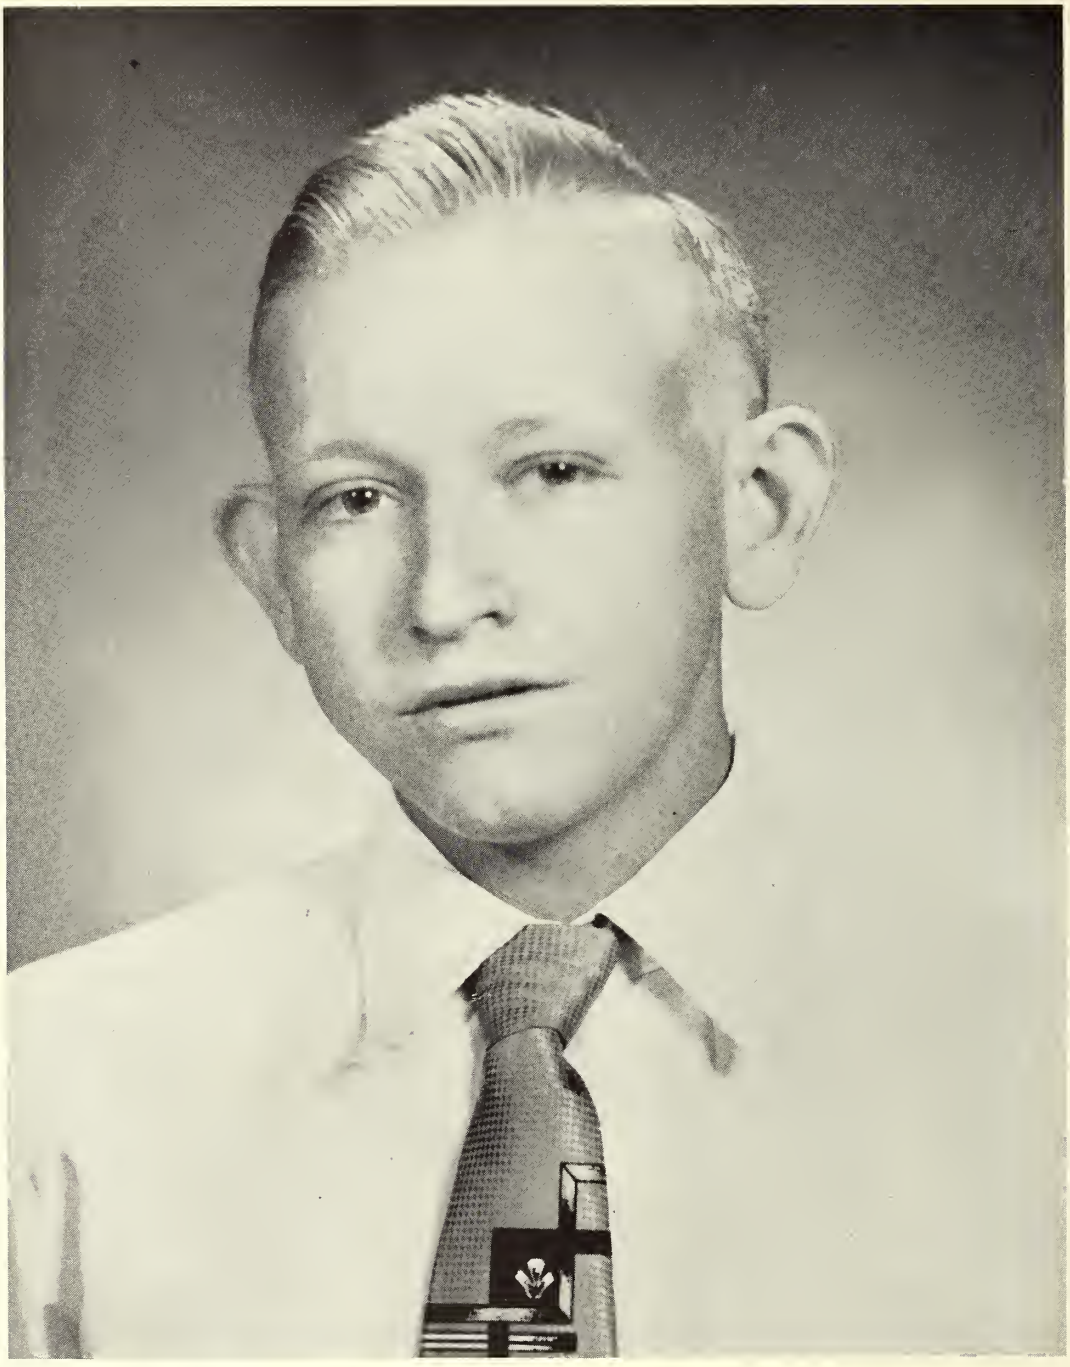
DEDICATION

To find an individual who is a true friend of the students as well as an excellent teacher and advisor is rare indeed. Having found such a person, who has willingly and unselfishly given of his time and effort to the development of student character and the betterment of this institution, the staff of the 1955 *Co-Lin Trillium* gratefully dedicates this volume, a symbol of their appreciation and gratitude, to him . . . MR. F. M. FORTENBERRY.



IN MEMORIAM

Douglas Murray, by his conscientious work and pleasant manner, won the respect of both his professors and his fellow students; his absence left a void no other one could fill when his Christmas holiday was extended to eternity.

PRESIDENT'S MESSAGE

COPIAH-LINCOLN JUNIOR COLLEGE
WESSON, MISSISSIPPI

1955

J. M. EWING,
PRESIDENT

To the Sophomores of 1955:

Congratulations to the Sophomores of 1955 and the Co-Lin Trillium Staff. The publication of this yearbook is but an emblem of your many accomplishments and your contribution to Copiah-Lincoln.

We trust that your two years at Co-Lin have been both pleasant and profitable to you. As you go out to face life in its present-day complicated form, may your success exceed your fondest dream.

If you will continue to study at the feet of the Master Teacher, your life will be filled with happiness which comes as a result of a task well done. You owe a debt to your state and nation which can only be paid by a life of service to your fellow man.

Always remember that Copiah-Lincoln will ever be interested in you and stands ready to serve you in any way possible.

Very sincerely,

J. M. Ewing

RELIGIOUS ORGANIZATIONS

The religious organizations offer to each student an opportunity for the expression of his faith. The purpose of these organizations is to deepen the spiritual life on the campus. The Student Christian Association includes representatives from each religious organization. On the campus are the Baptist Student Union, the Wesley Foundation, the Westminster Fellowship, which represents the different churches. The Y.M.C.A. and the Y.W.C.A. are also very active groups on the campus. Each student has a chance to participate in these organizations. The students also have an opportunity to attend Vespers each Sunday evening. Vespers is held on the campus, and once a month the students have charge of the program.

STUDENT CHRISTIAN ASSOCIATION COUNCIL

The Student Christian Association includes all student members of any campus religious organization. The S.C.A. Council and the S.C.A. Directors are responsible for the monthly student vespers programs, the annual Religious Emphasis Week, Christian Forum Week, Worldwide Bible Reading program, Worldwide Brotherhood Emphasis Week, the Christmas pageant, Easter and Thanksgiving sunrise services, devotions in assembly, and any other worship programs for the whole campus.

Y-Teens is a branch of the National Young Women's Christian Association for high school girls. The Co-Lin Y-Teen Club sends delegates to Mid-South Conference every year. Selling candy, sandwiches, and drinks at ball games, and sponsoring a Baby Show were some of the ways the club raised money to send these delegates this year.

The Co-Lin Y-Teen Club has trained many leaders through its programs, service projects, camps, and conferences. It has also lived up to the Y-Teen Symbol, The Blue Triangle, which stands for the purity of "body, mind, and spirit."

WESLEY FOUNDATION

The Wesley Foundation is a Methodist organization. This group sponsors the Community Birthday Calendar each year. They send a scholarship to a high school student in Brazil. For a Christmas project, they are hosts to two children from the Methodist Home in Jackson. They give the children presents. In the afternoon these children assist the Wesley members in packing and delivering packages to the colored children in the colored Methodist Church and there they are entertained with a Christmas program. This is a very active group even if it is a small group.

CLUBS

Numerous clubs organized among the students for the promotion of special interests. It is a part of the philosophy of Copiah-Lincoln that students get as much development for life citizenship from participation in various student organizations as from classroom activities. Practically every teacher has a definite responsibility for some student activity. Leadership and participation in the various activities are encouraged and equitably distributed by an activity credit system known as the Student Activity Program. The college awards medals to approximately one-sixth of the student body.

MUSIC

The Music Department has long been an outstanding part of Copiah-Lincoln, because music is an important part of man's culture and has a tremendous effect upon his everyday living. There is a great deal of singing, especially during assembly programs and at Vespers on Sunday evenings. The students have an opportunity to participate in the Glee Club, boys' quartet, girls' sextet, band, Colettes, and high school chorus.

GLEE CLUB

The Glee Club includes two hours' class work each week spent in sight reading, hymn singing, octavo work, and operetta work. It is supplemented with private lessons in voice. The Glee Club participates in the Christmas pageant each year. The Glee Club presents an operetta each year, and the one chosen for this year is *Hollywood Extra*. During the year each student who is in the Glee Club is in a recital. They also participate in the worship services of the various churches. Each year the Glee Club goes to the State Junior College Choral Festival, which will be held at the City Auditorium in Jackson with Hinds Junior College as host.

HIGHLIGHTS OF THE YEAR

With stars still in their eyes from memories of the night in Mobile when they appeared with Ed Sullivan and other top stars on his "Toast of the Town" Variety Show, the Colettes and Co-Lin Show Band began a year of exciting performances even before the school session began. The sell-out Mississippi All-Star Game in Jackson provided the setting for the premier appearance of the 1954 edition of the Band, and with traditional "first night jitters" the rookies passed the test and became old hands at mixing show business and school.

Tops in thrills, of course, was the wonderful trip to Washington to represent Mississippi at the National American Legion Convention. The national publicity in newspapers, television, and newsreels made this an event of importance as well as great fun. It was a perfect week!

The Lions Bowl Classic, Mardi Gras, the innumerable football shows, parades, floor shows, stage shows, and even a water show, throughout Mississippi and Louisiana kept the Band, Colettes, and Orchestra busy. To add to the ever-growing list of props the Colettes danced on top of, around, sat on, and beat the drums, marched and danced with and through their showy red and white hoops, waved fancy plumes all over the place, and, inevitably, presented one show with all thirty-nine Colettes riding bicycles! Saints preserve us! (The Seven Saints, that is!)

Dear Editor:

It has been a real pleasure to see the photos of all your pretty girls.

I have chosen # 1 the most beautiful of the college girls, with #3 and #5 as runners-up.

The most beautiful high school girl is #1 in her group.

Enjoyed being your judge. Best wishes.

HALL OF FAME

From among college sophomores who are outstanding in qualities of character, leadership, and scholarship, nominees for the Hall of Fame are chosen. After a person is nominated by students or faculty, he must be approved by a secret screening committee of students. To achieve membership, he must then receive unanimous recommendation from a faculty committee.

The *Trillium* is proud to present three people who have met these strenuous requirements. They are the second annual selections for Copiah-Lincoln's Hall of Fame.
